Profile

I have 1 year of experience in US mortgage loan processing, handling end-to-end workflows including PHL, DealTH, Deal Bright, and SLS. I regularly reviewed and verified loan documents such as income, credit, title, and appraisal while ensuring compliance with client and investor guidelines. I worked closely with internal teams to clear exceptions, meet SLAs, and maintain high quality standards. I also gained exposure to loan servicing, post-closing, and audit support activities.
