

ARYAN S NAIR

React Frontend Developer

Kollam, Kerala • +91 7558033848 • aryansnair23@gmail.com • github.com/ARYAN-S-23

PROFESSIONAL SUMMARY

Self-taught React Frontend Developer experienced in building scalable web applications using React.js, TypeScript, Vite, Tailwind CSS, Firebase, and the modern React ecosystem. Passionate about creating customizable, responsive applications for productivity, education, and creative industries with reusable component architecture, state management, and modern UI/UX.

TECHNICAL SKILLS

Languages: HTML5, CSS3, JavaScript (ES6+), TypeScript

Frontend: React 19, Vite, React Router, Tailwind CSS

State: Zustand, React Hooks, Context API

Backend: Firebase Authentication, Cloud Firestore

Forms: React Hook Form, Zod

UI: Framer Motion, Radix UI, Lucide React, Recharts, React Flow, FullCalendar, TipTap, DnD Kit

Tools: Git, GitHub, npm, ESLint, Babel, VS Code

PROJECTS

CineOS | Production Management Platform for Independent Filmmakers

Tech: React 19, TypeScript, Zustand, Tailwind CSS, Radix UI, Recharts, DnD Kit

GitHub: github.com/ARYAN-S-23/CineOS---an-indie-film-production-os | Live: indie-film-production-os.vercel.app

- Built a production platform for independent filmmakers with scheduling, scene management, analytics, collaboration, drag-and-drop workflows, and responsive dashboards.

LifeQuest | Gamified Productivity & Habit Tracking Platform

Tech: React, TypeScript, Zustand, React Hook Form, Zod, Recharts, FullCalendar

GitHub: github.com/ARYAN-S-23/Lifequest---level-up-your-real-life | Live: lifequest-flame.vercel.app

- Built an RPG-inspired productivity platform featuring quests, XP, streaks, analytics, scheduling, responsive UI, and scalable state management.

Learnel | Personalized Learning Platform

Tech: React 19, Zustand, React Flow, TipTap, FullCalendar, Recharts

GitHub: github.com/ARYAN-S-23/Learnel---a-personalized-learning-app | Live: learnel.vercel.app

- Developed a learning platform with study planning, knowledge mapping, analytics, rich-text notes, and drag-and-drop interactions.

EDUCATION

B.Tech, Computer Science & Engineering

Sree Buddha College of Engineering | APJ Abdul Kalam Technological University | 2024
