EDUCATIONAL QUALIFICATION

Bachelor of Engineering in Computer Science and Engineering

Ponjesly college of Engineering Nagercoil-Anna University (2019-2024)

Higher Secondary Education - 12th

S L B Govt Hr Sec School, Nagercoil (2017- 2019)

Secondary School Education - 10th

Belfield Matriculation Higher Secondary School, Asaripallam ,Nagercoil. (2016-2017)

EXPERIENCE

Telecaller

B2C Technology, Nagercoil

March 2023 – May 2023

Engaged with prospective customers via telephone to promote products and services.

Managed daily call logs, followed up on leads, and maintained customer relationships.

PROJECT DONE

Eye Glaucoma-Iris Recognition (03/2022 - 06/2022)

Every iris is unique to an individual, making it an ideal form of biometric verification. Biometric iris recognition scanners work by illuminating the iris with invisible infrared light to pick up unique patterns that are not visible to the naked eye. Iris scanners detect and exclude eyelashes, eyelids, and specular reflections that typically block parts of the iris.

ANONYMOUS AUTHOR ON THE ART OF WRITING

The project provide the writers to access the internet where they can publish their own work. The services provided are publishing the content of the writers and users can view them on their own choice. Users can still access apps offline.

CERTIFICATIONS

Completed courses on Web Development and Digital Marketing in AloInfotech, Nagercoil

SKILLS

Programming: Python, C, JavaScript

Web: HTML5, CSS3, Bootstrap
