CERTIFICATION AND COURSE

USER EXPERIENCE(UX) USER INTERFACE(UI)

April 2023 - Aug 2023

-EDIT INSTITUTE PUNE

Mode - Online

Project :-

Nursery Plant App

April 2023 - Aug 2023

Designed a mobile application for an online plant nursery make plant shopping simple and enjoyable. Created wireframes and user-friendly interfaces that allow users to easily browse different plants, compare prices from various nurseries, and view product details. Focused on smooth navigation and clean UI to improve user experience and help users make quick purchasing decisions.

Westside Clothing Website

April 2023 - Aug 2023

Improved the user experience of an e-commerce clothing website by designing intuitive and visually appealing web pages. Worked on simplifying the shopping process, including product browsing and selection. Used A/B testing to analyze user behavior and optimize design elements, resulting in better usability and enhanced customer satisfaction.
