@ urick.ui@gmail.com [linkedin.com/in/ujjawalk17](https://www.linkedin.com/in/ujjawalk17) LUCKNOW, INDIA

SUMMARY

UX Designer with over 2 years of hands-on experience in digital technologies and UX design principles. Demonstrated strong expertise in user-centered design, wireframing, and navigation design. Contributed significantly to the development and successful launch of a mobile application, delivering intuitive and user-focused digital experiences..

EXPERIENCE

UX Designer

Freelancing

📅 2025 - Present 📍 Lucknow, India

Website builder company, conducting user research and ideating UX solutions.

- Led end-to-end UX design processes, from user research and wireframing to prototyping and final design delivery.
- Conducted user research, usability testing, and competitive analysis to inform data-driven design decisions.
- Collaborated closely with product managers, developers, and stakeholders to translate business goals into intuitive user experiences.
- Designed user-centered interfaces that improved usability, engagement, and overall user satisfaction.

Projects

📅 2019 - Present

- Designed and delivered multiple UX/UI projects, including fully responsive websites and conversion-focused landing pages.
- Created user-friendly and visually engaging websites for interior design studios and café businesses.
- Designed modern, intuitive UI for mobile applications with a strong focus on usability and consistency.
- Paid close attention to user experience, layout structure, color systems, and typography across all projects.
- Gained strong hands-on experience through numerous small-scale projects, strengthening practical and industry-ready design skills.

EDUCATION

Bachelor's Degree in Computer Science and Engineering

SHRI RAMSWAROOP MEMORIAL UNIVERSITY

📅 2022 - 2026 📍 LUCKNOW, UP
