

Anandh

Aspiring Front-End Developer B.Sc
Computer Science | Fresher

ABOUT ME

Motivated B.Sc Computer Science graduate with hands-on experience in developing responsive web applications using HTML, CSS, JavaScript, Bootstrap, JSON, and Local Storage. Currently undergoing React.js training at a professional institute to strengthen my front-end development expertise. Passionate about creating responsive and user-friendly web applications, with a strong desire to begin my career as a Front-End Developer and continuously learn modern web technologies.

MORE INFORMATION

- Willing to learn new technologies
- Ready to work in team environment
- Flexible and adaptable
