Professional Summary

Detail-oriented and highly motivated Front-End Developer with 1.5+ years of hands-on experience in building scalable, responsive, and user-friendly web applications using HTML5, CSS3, JavaScript (ES6+), React.js, Bootstrap, and Tailwind CSS. Skilled in developing reusable React components, integrating REST APIs, managing state using Redux Toolkit and Context API, and optimizing website performance for better user experience. Experienced in creating responsive layouts, fixing UI bugs, ensuring cross-browser compatibility, and delivering clean, maintainable code. Strong understanding of React Hooks, React Router, Git, GitHub, and modern frontend development practices. Passionate about building intuitive, accessible, and high-performance web interfaces that improve user engagement.

Skills & Technologies

Frontend: HTML5, CSS3, JavaScript (ES6+), Bootstrap, Tailwind CSS, React.js, React Hooks, React Router v6, Redux, Redux Toolkit, Context API, Axios, REST API, Fetch Integration, Responsive Web Design, Material UI, JSON Handling, Async/Await, Web Performance Optimization, Debugging, UI/UX Principles, SEO Basics.

Version Control & Deployment: Git, GitHub, Netlify.

Other: DOM Manipulation, UI/UX Best Practices.

Work Experience

StoutWeb Pvt. Ltd. (Traviyo) | Noida, Sector 6

Web Developer | Jan 2025 – Present

- Developed and maintained **15+ responsive web pages** using HTML5, CSS3, JavaScript, Bootstrap, Tailwind CSS, jQuery, and React.js.
- Built responsive and interactive user interfaces, improving mobile usability across multiple devices and browsers.
- Improved website performance by **30–35%** through optimized frontend components, image optimization, lazy loading, and code splitting.
- Reduced UI-related issues by **25%** through debugging, cross-browser testing, and responsive design improvements.
- Implemented reusable React.js components to improve development efficiency and maintain scalable code structure.
- Managed application state using **Redux Toolkit** and **Context API** for better data flow and component communication.
- Integrated RESTful APIs using **Axios** for dynamic data rendering and improved user interaction.
- Worked on React Router for page navigation and smooth single-page application experience.

- Optimized landing pages and UI sections, helping improve user experience and reduce bounce rate by around **20%**.
- Used Git and GitHub for version control, code management, and collaborative development.
- Collaborated with designers, backend developers, and team members to deliver client-side solutions on time.

Internship

TechVantage, Gurugram

Web Development Intern | Sep 2024 – Dec 2024

- Assisted in developing **2+ responsive web pages** using HTML5, CSS3, JavaScript, Bootstrap, and React.js.
- Built and enhanced reusable UI components while improving responsive layouts and cross-browser compatibility.
- Supported **REST API integration**, debugging, and frontend performance optimization for dynamic web applications.
- Worked with senior developers in code reviews and Agile team meetings to deliver clean, maintainable code.

Training

Full Stack Java Development Training — CETPA Infotech Pvt. Ltd.

Oct 2023 – Oct 2024

- Completed intensive training with a focus on Front-End technologies: HTML, CSS, JavaScript, React, Tailwind CSS, Bootstrap
- Studied Core Java and Spring Boot fundamentals

Education

Madhya Pradesh Bhoj Open University — Bachelor of Science (B.Sc.)

Jul 2020 – Jul 2023

Rajiv Gandhi Proudhyogiki Vishwavidyalaya (RGPV), Bhopal — Diploma in Computer Science

Jul 2020 – Jul 2023

Projects

Vyas Tours

Tech: HTML5, CSS3, Bootstrap, jQuery, JavaScript Link: <https://vyastours.com>

- Developed a fully responsive travel website with interactive UI, smooth navigation, and mobile-friendly layout.

TravelPro DMC Pte Ltd

Tech: HTML5, CSS3, Bootstrap, jQuery, JavaScript Link: <https://travelprosg.com/>

- Built a responsive travel services website with clean layouts, booking sections, and cross-device compatibility.

Tourland Holidays

Tech: HTML5, CSS3, Bootstrap, jQuery, JavaScript Link: <https://tourlandholidays.in/>

- Developed responsive web pages and improved UI sections for better user experience and customer engagement.
