CAREER OBJECTIVE

Creative UI/UX Designer skilled in Figma, Adobe XD, HTML, and CSS, focused on crafting modern and user-friendly digital experiences. Passionate about clean design, intuitive interfaces, and improving user engagement. Eager to bring creative ideas and innovative solutions to a dynamic team environment.

EXPERIENCE

UI/UX DESIGN INTERN

TACSYSTEC | NOVEMBER 2025 – APRIL 2026

Completed a 6-month UI/UX Designer Internship at Tacsystec, where I worked on wireframes, UI designs, prototypes, and user-friendly interfaces using Figma while collaborating with the development team on real-time projects.

PROJECT

• BRIDAL MAKEUP ARTIST LANDING PAGE – WEBSITE

Designed a modern bridal makeup artist landing page with responsive UI, portfolio showcase, booking sections, testimonials, and clean layouts focused on smooth user experience, brand identity, and easy navigation using Figma.

• TURFTOWN BOOKING – APP

Designed a user-friendly turf booking application with live booking, match scheduling, statistics, and location-based search. Created UI screens and wireframes focused on easy navigation, smooth interaction, usability, and better user experience.
